

## Merry Christmas Tree COLUMN

*The lime green tone gives an updated look to traditional Christmas colors in this festive and fun Christmas Tree column.*

**Estimated Cost:** \$7

**Labor:** About 20 minutes

**Suggested Retail Price:** \$40-\$45

### Instructions:

1. Inflate with air four 12-inch "Lime Green w/Red Polka Dots" standard latex balloons. Tie two of the balloons together at the neck to make a pair. Do the same with the remaining two balloons. Secure the cluster atop of a balloon weight.
2. Inflate with helium two 17-inch "Merry Christmas Trees" foil balloons, attach ribbon, and secure one of the balloons to the balloon cluster.
3. Inflate with air four 9-inch "Lime Green" and four 9-inch "Red" standard latex balloons. Form two different clusters, each containing two Red balloons and two Lime Green balloons. Secure one of these clusters atop of the Merry Christmas Trees balloon.
4. Tie the other Merry Christmas Trees to the top cluster on your balloon column. Add another latex balloon cluster on top.
5. Inflate with helium one 30-inch "Holiday Tree" Shape-A-Loon and secure to the very top of your balloon column.
